**Notice to all customers from the rocks on Cape San Blas to the
North end of Cape San Blas**

The Precautionary Boil Water Notice we issued on 1/11/2024 has been rescinded. The lab has confirmed our field test results and you may now resume normal usage of your water.

Thank you for your cooperation and don't hesitate to call 850-340-0118 with any questions or comments you may have.
